Conference News

Recently we've been reviewing again the great feedback that we had from our first conference last October. Looking ahead now to our next one (5-7 October 2020 in Manchester) we are starting to plan the format and content. We know that there is something very special when you all meet together and we really value your input into what works at these events.

Recently we had Zoom meetings with the Christian Science Nursing Managers of those Christian Science Houses in the UK that could attend and their suggestions and observations have been very helpful. But we want to hear from as many of you individually too! So at our AGM

this year we will be giving specific time to allow you all to suggest any ideas that you think could be useful as we firm up our plans.

2019 Annual General Meeting

Your Association's AGM is coming up soon and will be held in Birmingham at the: Ibis Birmingham Centre, New Street Hotel, on Saturday 5 October. Starting at 2.30, Come for lunch at 1.00.

The necessary business meeting will include your opportunity to vote on a new member of the Trustees, a revised Constitution, reports of progress this year and the 2018 conference, and let you offer ideas and suggestions for the 2020 one. All this will conclude with an inspiring talk, 'Pioneers or settlers?'

The location of the hotel is within a five-minute walk of New Street Station. A final agenda and a map will be sent out soon. However, we do need to know how many are planning to attend in order to confirm catering with the hotel.

Please e-mail paulharmannorth@gmail.com (Secretary) by 28 September, to confirm your attendance. If you know you cannot come that is also helpful for us to know. There are important voting decisions. If you know that you cannot attend please can you appoint a Christian Science Nurse, who is attending, to act as your proxy for voting.

Facebook Group:

We urge you to join the closed Facebook Group. Send a request to join Christian Science Nursing Association (UK). It is a useful forum and we do want to see it used more.

Don't forget to take a look at the website (www.csnauk.org.uk) to see the main speaker talks from the 2018 conference. Paying your subscription of £15.00 to the treasurer, Roger Buse, will allow you to receive the necessary password to access the videos.

The Ministry Of Christian Science Nursing

Christian Science nursing is a practical, spiritual ministry that actively supports an individual's decision to rely on Christian Science for healing. Established in The Manual of The Mother Church, (Article VIII; Section 31), this caring activity is grounded in the Bible-based teachings of Christian Science, impelled by Christ Jesus' commandment to "love one another" (John 15:12).

Notices

New Constitution

We need to change our Constitution to reflect the fact that we are not going to apply at this time to the Charity Commission for registration as a charity. This does require you to vote on the Constitution – either in person or by proxy.

You will soon receive a separate e-mail with five attachments. Please look out for them, read them and respond where necessary.

New Secretary

If you have read this far then you will have seen a new e-mail address for the secretary. We are pleased to welcome Paul North who is taking on the secretary role. Paul is not a committee member but replaces Jo Gray, who will stay on the committee. We cannot express enough gratitude to Jo who has worked so hard as our secretary since we began.

I pray that heaven's messages of "on earth peace, good will toward men," may fill your hearts and leave their loving benedictions upon your lives. (My. 167:11)
