## **Christian Science Nurses' Conference** **2021** **11th - 15th October**

The CSNA(UK) committee is busy planning this year's conference programme. We are so excited to be able to hold the conference in person this year and have amazing workshops and talks for you. We have booked five days at the Novotel Hotel in Manchester and really look forward to seeing you there! The theme is:

['A fearless wing and a firm foundation' \(Mis 213:19-21\).](#)

We will shortly be sending out details of how to register for the conference including booking a room at the hotel, with information of funding for both. The conference will be two days, either Monday and Tuesday, or Thursday and Friday. This should enable appropriate handover at the Christian Science nursing organisations. The middle day, Wednesday, is aimed at trustees and administrators and those that support and fund Christian Science nursing. Christian Science nurses are also welcome to attend the Wednesday.

### **CSNA(UK) committee is seeking new members**

Those of us that serve on the committee are volunteers and we love the work we do to support Christian Science nurses in the UK. If you are aware of someone who might like to join us, or who would like to know more about what we do as a committee, please let us know. You don't have to be a Christian Science nurse to join us.

### **Tribute to Bonnie A Castroman**

Bonnie Castroman served as Manager of Christian Science Nursing Activities at The First Church of Christ, Scientist, in Boston, Massachusetts from 2015. Bonnie became a Journal-listed Christian Science nurse in 1981 devoting her life to all aspects of Christian Science nursing including instructing and teaching. Those who attended our previous conference will remember her inspiring keynote address as well as

her dynamic workshop session. And last year her talk at our AGM on 'Everpresent Love' hit the spot with clarity and wisdom. Bonnie expressed love and joy as a friend and mentor to so many, nurturing and cherishing every one.
